

The super informative and generally well received  
**Zurich Hash House Harriers**

**Winterfest 2017**

**Info Flyer**

03 - 05 February 2017, in Madetswil (Zürich)

### What should I bring???

**Bedding:** A pillow, a sleeping bag/blanket, sheets. The venue provides a scratchy blanket, and no pillow or sheets. Alternatively, bring what you feel comfortable sleeping in.

**Drinking Vessel:** Some drinking vessels in varying sizes will be provided for, if you require vast intakes of beer while standing still for an extended period of time, vessel up.

**Other important items:** A Flashlight/torch/glow sticks to find your way through the darkness, towel, ear plugs (or other snore suppressors), your preferred hangover cure, AND house shoes.

### Where am I going????

**Pfadiheim Bläsümüli**, Bläsimühle 7, 8322 Madetswil, Switzerland.

Post-postal address: <https://www.heimverein-gloggi.ch/pfadiheime/blaesimuehle.html>

**Arrival by car:** Activate GPS, enter the above address, hope for the best. Parking possibilities are limited and reserved for the Mismanagement. It's a hash, not Tetris.

**Arrival by public transport:** No Matter where you're coming from, there is a bus connection (the 825) that takes you directly in front of the venue, stopping at the "Madetswil, Bläsimühle" stop. For Zurich Hashers the easiest way is from the Zurich Main Station/HB: take the S3 towards Wetzikon to Pfäffikon ZH, Bahnhof, switch to the 825 bus towards Turbenthal, don't forget to get off at the venue (this connection leaves hourly, at 33 minutes past the full hour).

### What if I get lost, need counseling???
